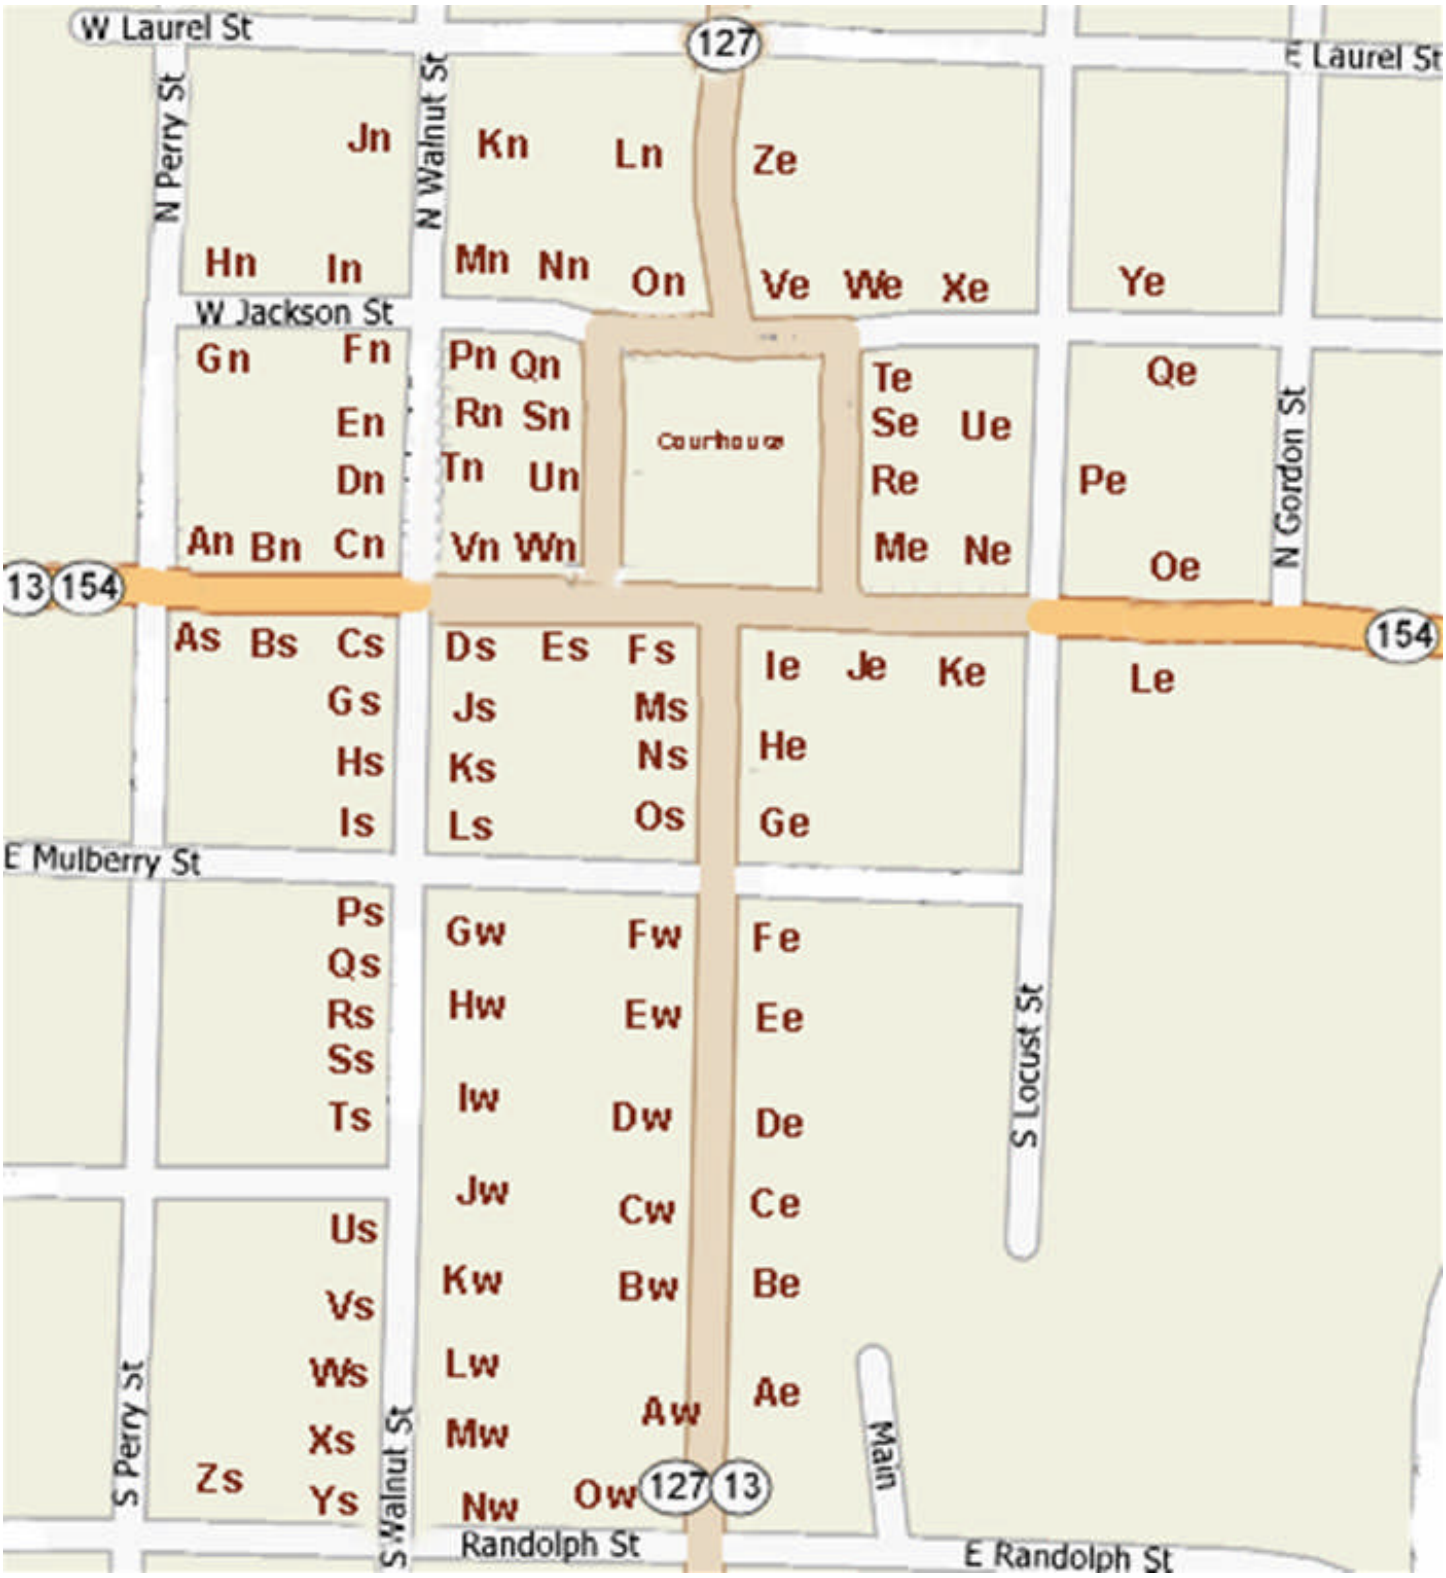
Pinckneyville Business History Project
Map of downtown Pinckneyville



The letter locations are provided for ease of use in recording a location of a business. Feel free to use numbers to designate a more specific location. Or if the location is not on the map, give the street address as best you can recall.

Please use this form to list the different businesses that you recall. If you are not sure of the place or date, put a question mark after that place or date. If you have more information, use the business form.

Businesses not on the map may be designated with the address if known or a question mark only. We realize that some information may not be complete, but, nevertheless, it will be very helpful. Thank you for your contribution to this project. Mail to **Pinckneyville History Project, Perry County Jail Museum, 108 West Jackson Street, Pinckneyville IL 62274** ***Open Mon 8-3 and Wed 8-12***
